

## Week Three – Maximizing the Tools

### 1 Isagenix Business Training

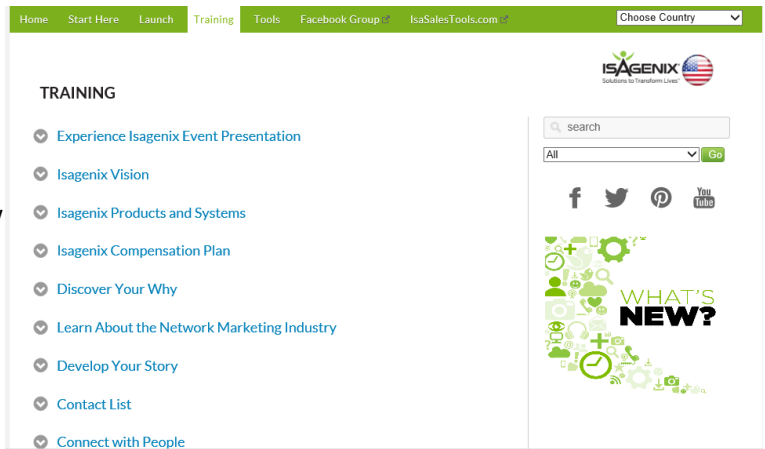

[www.isagenixbusiness.com](http://www.isagenixbusiness.com)

**Watch** - schedule time to watch the videos

**Print** - ensure that you have printed documents to review

In this phase, you are working on your beliefs in several areas, including the company, the products, the compensation plan and network marketing.

For you to be successful, it is critical that you know and understand what resources and tools are available to you.
